Dear Julie Sardonia,

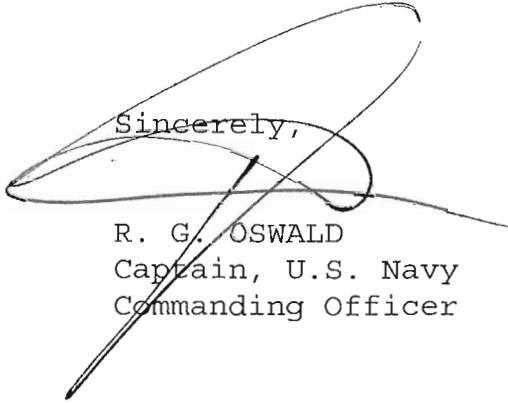

On behalf of Navy Operational Support Centers Port Hueneme and Point Mugu onboard Naval Base Ventura County to include all of the service members and their families that our commands represent, I offer my most sincere and heartfelt "THANK YOU" for your valued contribution as a Community Partner during our 2011 Family Readiness and Warrior Recognition Day. You have done an absolutely outstanding job coordinating the Freedom Alliance efforts in support of our readiness and recognition day.

Your organization's selfless dedication to improving the quality of life of our Sailors and recognizing the sacrifices of all service members and their families truly exemplifies the unconditional support and commitment that motivates and endears many of us to continue serving our great Nation.

We genuinely cherish your contribution to our entire Navy family. Through your efforts, you enhance and enrich our lives, and we offer a most heartfelt and honored salute to you and your team. You're direct and indirect efforts have been invaluable to the Navy mission, to our Family Readiness and to welcoming our returning Warriors home.

Again, thank you for your continued efforts to support our Sailors and their families. We greatly appreciate your patriotism and generosity.

Sincerely,

R. G. OSWALD
Captain, U.S. Navy
Commanding Officer
